

The all-new Honda Odyssey. Surround your family with style and excellence.

The new generation Honda Odyssey is an accomplishment of style and excellence never before seen in a family car. Its sophisticated and dynamic looks are combined with an improved interior, unique theatre style seating and electronically operated 'magic' seats offering incredible space and seemingly endless seating arrangements. The highly functional and stylish new dash makes you feel a part of the car with everything you need closer than ever. Designed to handle like a sedan, you and your family can enjoy smooth and exhilarating driving excellence. And with the Odyssey's amazing 2.4 litre i-VTEC engine delivering 180ps, you'll enjoy a new level of speed and agility with 8% better fuel efficiency. So now more than ever, in the new generation Honda Odyssey you can drive every drop.

Specifications: 180ps DOHC i-VTEC engine and 5 speed automatic. Motion adaptive Electronic Power Steering. Fluid form and unique low body. G-Con safety technology. Vehicle Stability Assist. Ultra thin front pillar. Advanced instrument panel. Wider back body shape.
