The Power of Dreams

**CIVIC**

# The power to help the environment.

SMS <INFO> space <CIVIC> space <YOUR NAME> and send it to 46632 (Honda) for more information.

Honda's i-VTEC technology delivers outstanding power while still being remarkably fuel efficient, which is great news for the environment. This is all thanks to its innovative new valve control timing. You'll find the ingenious i-VTEC engine in the powerful, yet fuel efficient Honda Civic. So if you want to start making a difference today, **visit [www.honda.com.sg](http://www.honda.com.sg) or a Kah Motor Showroom.**
