Readers Choice 2007, Car of the Year - Best MPV, Wheels Asia

Innovation you can put your finger on. †Activate the intelligent third-row electronically assisted seats with the press of a button.

The 7-seater Odyssey is Honda's engineering ingenuity at its best.

With intelligent packaging, style and performance in a low 1.55-metre stance, Honda has created a Multi-Purpose Vehicle (MPV) that has won the hearts of many journalists and drivers over. From the powerful i-VTEC engine with 5-speed sequential sportshift to the double wishbone suspension Honda developed from F1 outings, the Honda Odyssey also impresses with its advanced and friendly inner space. A simple button folds the 3rd row seats and cruise control\* makes driving smooth and easy.

For a new family perspective, get behind the wheels of the Honda Odyssey at Kah Motor showrooms.
